

Rylea Engineering Services Pty. Ltd.

OHS Policy Statement

Rylea Engineering Services is committed to providing & maintaining a safe working environment for all its employees in compliance with the Occupational Health and Safety Act 2004.

We set and review our policies, objectives and targets regularly within a framework of consultation with our employees and other interested parties.

We have established measurable safety objectives and targets aimed at prevention of work-related injury and illness.

We continually seek to improve the effectiveness of our management system and our performance in respect of health and safety by following the processes and reviews laid out in our management system in accordance with ISO 45001:2018

All employees shall take reasonable care for their own health and safety and to that of their work colleagues and the public while supporting and assisting company objectives to improve health and safety conditions in our workplace.
